While Chegg discounts up to 90%, most discounts will be lower, but prices will be even much lower than some of the main websites, and andPiu at the bottom of the local campus library. Chegg allows you to search through the title and the author or the ISBN number, but it also shows you an ebook version (if available for your selected textbook). Chegg also offers the bonus to give you free access to the electronic version of your textbook while the physical copies send to avoid interruptions in your class program. In order to continue offering competitive prices, Chegg offers local offers and discounts with retailers on and around your university campus as well. Chegg also has other resources - they also offer resources to help you find a job or internship, as well as help with your homework. Read everything that has a Review here. CollegebookSdirect.com offers one of the most large selections of used textbooks, and offers the same day of shipping for your textbook order (unless otherwise specified). There is a wide selection of over 30,000 online textbooks, ranging from record books, textbooks by Instructor's Edition, unique textbooks of text, new textbooks and used textbooks. They offer a wide range of shipping options, with standard shipping options starting from \$ 4.00 for the first book, and \$ 1.00 for each additional element. They also offer UPS Air shipping 2 ä º day to \$ 15.00 for the first book, and \$ 1.00 for each additional element. CollegebookSdirect.com also offers a 30 -day return policy. Check Out College Books Direct and Campus is another long -term online textbook seller, which also offer rental services and a textbook buyback program. And Campus has a wide selection of books, but their free shipping level is \$ 59, which is higher than many other places. However, the savings found on books could justify the highest price. If you are looking for a more oriented social media -oriented comparison site, check Slugbooks.com. Books value gives you the opportunity to buy, rent and sell textbooks. They offer a 30 -day refund guarantee, and all textbooks rentals are equipped with free shipping. Another useful feature is the immediate price value Books gives you when you sell your books- just insert the ISBN number. They also have an option for textbook stores to liquidate their fast inventory, which could translate into enormous savings for you. They do not have a free shipping option, but their shipment is relatively cheap. However, it may not make sense of other companies on this list. Discover our complete review Books value here. Discover the cost of textbooks at the Campus library before. This gives you an idea of the retail price of the base line. It is worth checking at least 2 comparison sites so that you can get an idea of the price range. From it, restrict the choices based on the factors that are important for you: buy back options for textbooks, low cost or fast shipping, and return policy. Regardless of the choice you make, you will be sure to save hundreds of dollars outside the retail price or the Campus library. Have you purchased online textbooks recently?
